**NOTES:**

- Group child care programs in the City of Vancouver were contacted and asked for their full-time, monthly fees as of September 2017
- For the purpose of this survey, where there was a public and preferred fee, the public fee was used
- At the point of survey, there were 38 infant centres, of which 26 (68%) responded
- At the point of survey, there were 59 toddler centres, of which 41 (69%) responded
- At the point of survey, there were 123 3-5 year child care centres of which 80 (65%) centres responded. Some centres that provide care for 3-5 year olds also provide limited space for children aged 30-36 months. The average fee for this age group is \$1059/month.
- All school day kindergarten began for all Vancouver Schools in 2011; therefore, there is no longer a fee survey for half day kindercare starting this year.

\*AVERAGE = Calculated by adding all of the monthly full time rates and dividing by the number of child care centre responses

\*\*MEDIAN = Half the centres have rates that are greater than the median, and half the centres have rates that are less than the median

**\*Maximum Child Care Subsidy available for Licensed Group Child Care is:**
